Disclaimer and Signature

My horse and I have qualified to compete at the USEA American Eventing Championships (AEC). I am planning to enter the AEC before the entry closing date and would like to be on my Area's team. I was a member of my Area's AR program by July 1 this year.

I understand that each Area has a limit of 8 teams and 35 riders. I might be placed on a mixed Area team and/or listed as a reserve rider if all Area team spots are filled. I also understand that entries to AEC might be limited and if I am placed on an entry waitlist, I might not be able to compete and be part of a team.
