REMINDERS

A rider competing in any United States Eventing Association (USEA) registered competition, at any level to include Beginner Novice must hold a Full, Junior, Collegiate, or Life membership. (A fee of \$100 will apply to consider reinstatement of qualifications for the current year championships and current year-end awards only). USEA requires ALL foreign competitors to be members of the USEA in order to compete at USEA recognized competitions.

EVENTING TESTS: Starter Test, DX Eventing, Coach Allowed Test (CAT), or Schooling Show competitors who are non-members will not be required to pay a non-member fee to compete. To use the USEA Xentry online system, an ID number must be created. ID numbers do not require membership and can be created by going to www.useventing.com and clicking on Login. Click on “New User?” to create profile.

All horses competing in any USEA recognized competition at any level, including the Beginner Novice level, must have a valid FULL or LIMITED STATUS registration. The USEA will extend a 14-day grace period after the competition concludes to upgrade a horse from Limited to Full status. Points and/or championship qualifications are not retroactive after the 14-day grace period. The USEA will consider reinstatement of qualifications for the current year championship and current year-end awards only. A fine of \$100 will be required for each inquiry to consider reinstatement.

NOTE: The registration of the named horse with the USEA is for competition purposes only, and the registration does not indicate the legal Status of ownership of, or liability for, said horse. USEA accepts no liability for the accuracy of the registered details which information is intended for its own sole use and benefit, and does not decide, resolve, or become involved in ownership disputes. Transfer of ownership(s) becomes effective from the date that the proper forms with required signature(s) are received in the USEA office.

ALL foreign horses must be registered with the USEA with FULL or LIMITED status.

The starter fees for all national and FEI competitions is \$30.00. This includes a \$1.00 levied on all starters to generate funds for equine research.

All riders, including Life members, must declare their amateur status each year. Amateur status is defined by the U.S. Equestrian Federation Rules for Eventing Appendix 3, Section 1.3. Amateur declaration may be made at any time during the current competition year; however, the benefits of amateur status are not retroactive. Amateur status begins at the time it is declared. Amateur status must be declared annually for each competition season.

As per the Rule (EV110.2), entries are considered complete when all entry and stabling fees have been received by the organizer/secretary. In the case of online entries paid by credit card through Xentry, entries are considered complete upon submission, as the USEA guarantees payment to the organizer. Online entries paid by check are not considered “complete” until the check is received by the organizer/secretary.

Member Refund and Cancellation Policy: A full refund will be issued to a member, if notice is received in the USEA office within ten (10) business days from the date of joining the association.

Insufficient Funds or Return Checks: All returned checks will be charged a \$25.00 fee, and the USEA membership will be suspended until payment has been resolved with the association.

Credit Card Disputes/Chargeback: For all chargebacks your USEA membership and affiliated horse registration will be placed on hold until your debt to the association has been paid in full. All Entry chargeback must be directed to the appropriated event. Please see the competition calendar for competition refund policy.

USEA POLICY STATES: USEA Starter and Drugs & Medications Fees are not subject to the competition office fee, and shall be returned within 30 days of the completion of the competition to any rider who withdraws prior to the start of the dressage test.

QUESTIONS? The USEA is available Monday through Friday from 9:00 a.m. to 5:00 p.m. E.T. Contact USEA Member Services at (703) 779-0440 (1) or memberservices@useventing.com.

WELCOME TO THE USEA

Dear USEA Member,

We are excited you have joined us this year. Whether this is your first time joining or you are renewing for the twentieth time, we hope this is the best year ever for U.S. eventing. Here are some of the exciting perks and important information to know as a member of the USEA:

USEA DIGITAL MEMBER CARD AND PACKET

This member packet is an informational guide to the many benefits of USEA memberships. Your USEA member card is available in your Online Services account, along with the USEA membership informational packet to guide you to the many benefits of your USEA membership. Your member card will be available at your finger-tips 24/7 through your member portal or save your digital card directly to your device for quick access. Your USEA member decal will be mailed to you separately.

USEVENTING.COM

Our website is the center for all information about the sport of eventing in the U.S. By visiting www.useventing.com you have daily access to the latest event coverage and news about the sport. The website is the best way to find event information, clinics in your Area, and any form or document you could need. Are you looking for a new trainer or coach? Check out the complete list of USEA ECP Certified Coaches, YEH Coaches and YEH Professional Horse Trainers by level or Area. Do you want to know who is the leading rider in the country? The national leaderboard is on the home page. Take some time to explore www.useventing.com for a wealth of information.

USEA ONLINE SERVICES

USEA Online Services allows you to renew memberships, update personal profiles, purchase USEA publications, join Area programs, register a horse, view competition records, search horse records, and much more 24/7. Log in by creating a username and password at services.useventing.com.

USEA EVENT COMPANION APP

Have you ever been on the way to an event and realize you need the address? Or gotten in the warm up only to forget your dressage test? The USEA Event Companion app is designed to make your life easier and make all necessary competition information available at your fingertips. The app is available for iOS and Android devices.

EVENTING USA

Eventing USA magazine is the award-winning print publication of the USEA and is the only publication in the United States devoted solely to the sport of eventing. This magazine is jam-packed with educational features such as breeding your next event horse, riding a winning dressage test, veterinary advice, or the best way to negotiate a water jump. A subscription to *Eventing USA* is included with your membership and will automatically be sent to your home.

RULE BOOK

The *U.S. Equestrian Federation Rules for Eventing* is published once a year. The print version is available for \$18.00 (plus shipping) and can be purchased through the USEA Webstore at www.ShopUSEA.com. A PDF version of the *U.S. Equestrian Federation Rules for Eventing* is available for viewing on the USEA website.

USEA WEBSTORE

The USEA Webstore is located at www.ShopUSEA.com. All competition supplies, the rule book, USEA logowear, and much more are available on the Webstore.

XENTRY

The USEA's Online Express Entry System, Xentry, was created by the USEA as a service to our members. You can enter USEA recognized events from a central and secure website. Xentry leverages the USEA's competitions, results, and membership databases to make it easy to create an entry within minutes of logging into the website for the first time. Xentry can be accessed at services.useventing.com.

USEA COMPETITIONS AND SERIES

Whether you are a breeder who wants to show off your young horse in the USEA Young Event Horse competitions, or an amateur who wants to compete in the USEA Classic Series, a student wishing to participate in the Interscholastic Eventing League or Collegiate Program, or a rider who wants to qualify for this year's USEA American Eventing Championships presented by Nutrena, the USEA has a program for you! To find out more about all the programs the USEA has to offer, visit our website at www.useventing.com.

AWARDS PROGRAMS

The USEA has developed multiple awards programs in order to recognize its members for the high level of success they have attained in the sport of eventing. The programs that are available are the Blue Ribbon Award, Certificate of Horse and Rider Achievement, Eventing Medal Program, and Volunteer Medal Program. Details on all awards are available on the USEA website under the Awards section and on page 10 of this booklet.

EDUCATIONAL PROGRAMS

The USEA is dedicated to promoting safe education in the sport of eventing. A variety of educational activities, clinics, schooling days, and camps are located on the activities calendar at www.useventing.com under Education.

USEA SPONSORSHIP

The USEA has a loyal base of companies and organizations that make our programs possible. Our wide variety of sponsors give their money, time, and products to guarantee that the USEA is able to offer a diverse range of activities to our members! Please take some time to look through the sponsorship material on our website and at our events and support our USEA sponsors.

DISCOVER EVENTING

Discover Eventing is an online guide that explains the sport of eventing and its history, shows you what you need to know about your first event, and provides information on how to become involved in the eventing community. Be sure and visit www.DiscoverEventing.com.

The USEA staff is here to serve you, our members. If there is anything we can do to help please don't hesitate to call the office at 703-779-0440 (1), e-mail us at Memberservices@useventing.com, or write to us at USEA, 525 Old Waterford Rd, NW, Leesburg, Virginia 20176.

*Sincerely,
The United States Eventing Association*

USEA PROGRAMS

AMERICAN EVENTING CHAMPIONSHIPS (AEC)

The only national championships for the sport of eventing in the United States. Each September, hundreds of juniors, adult amateurs, and professionals travel from all across the nation to meet at one major venue for a chance to be named the best in the country.

YOUNG EVENT HORSE PROGRAM (YEH)

This program gives owners and breeders an opportunity to showcase the potential of their 4- and 5-year-old horses while encouraging them to produce top-level event horses for the future. YEH qualifying competitions consist of a dressage test and a jumping/galoping test. At Championships, conformation is also judged.

CLASSIC SERIES

The Classic Series encompasses the USEA Classic Three-Day Events at the Beginner Novice, Novice, Training, Modified and Preliminary levels. The thrill of the “chase” lives on for those who still want to experience the unforgettable rush of roads and tracks, steeplechase, and cross-country!

ANNUAL MEETING & CONVENTION

The USEA Annual Meeting & Convention takes place each December and brings together a large group of dedicated USEA members and supporters to discuss, learn, and soak up the experience of being surrounded by eventing enthusiasts.

ADULT RIDERS PROGRAM

This program is for all adults 22 years and older, professional or amateur. Adult Riders is about including adults across all skill and experience levels in a supportive program that promotes education, communication, recognition, and just plain fun. Multiple Area programs are an available option when renewing your USEA membership.

YOUNG RIDERS PROGRAM

This program is offered through the USEA for riders 25 years of age and younger. The purpose of the program is to encourage our younger members to become involved in eventing and to promote a love of the sport. Whether a young rider is seeking education through the Young Rider Advancement Program (YRAP), there is a place for all young riders within the USEA. Multiple Area programs are an available option when renewing your USEA membership.

EMERGING ATHLETES U21 PROGRAM (EA21)

The aim of EA21 is to create a pipeline for potential U.S. team riders by identifying and developing young talent, improving horsemanship and riding skills, and training and improving skills and consistency. The USEA EA21 Program was launched in 2022 with a model of five summertime regional clinics taught by selected USEA Eventing Coaches Program (ECP) Coaches, leading to a winter national camp consisting of selected Young Riders from the regional clinics. Athletes who are 21 years or younger, are current members of their USEA Young Rider Area program, and are established at the Training Level or higher, are eligible to apply for the EA21 program.

INTERCOLLEGIATE EVENTING PROGRAM

In 2014, the USEA Board of Governors approved the creation of the Intercollegiate Eventing Program as an official program of the USEA. Originally proposed with input from the Intercollegiate Eventing League, the program was established to provide a framework on which eventing teams and individual competitors could flourish at universities and colleges across the country. Collegiate athletic programs have been the training grounds for Olympians, amateur athletes, and professional athletes for generations. Enabling students to train in the Olympic sport of eventing is a natural addition.

INTERSCHOLASTIC EVENTING LEAGUE (IEL)

In August 2020, the USEA Board of Governors approved the creation of the USEA Interscholastic Eventing League (IEL) as an official program of the USEA. The mission of IEL is to bring together junior riders with a common interest and provide a supportive community through which students can continue to pursue their riding interests. This program will also help provide a pathway for those riders who seek to be part of a collegiate eventing program as they graduate high school. The goal of the IEL is to increase membership, education, and engagement in riders on a national level who are in 7th through 12th grade.

USEA FOUNDATION

Endowed gifts are an enduring way to demonstrate your enthusiasm and commitment to the USEA and the sport of eventing for the future. They also help the Association achieve its vision priorities for the future. Members can honor the important people and horses in their life through the USEA Foundation.

EVENTING COACHES PROGRAM (ECP), YEH COACHES, AND YEH PROFESSIONAL HORSE TRAINERS

Coaches certified through the USEA Eventing Coaches Program have been educated to the highest standards in the teaching of event riding, training, and competing as well as the care of the horse and the development of effective and safe teaching methods.

TRAINING PROGRAM FOR EVENTING OFFICIALS (TPEO)

Eventing officials include judges, technical delegates and course designers. They are all licensed by the United States Equestrian Federation at the “r”, “R”, and “S” levels. However, the USEA is responsible for the Training Programs for all eventing officials.

COURSE BUILDER/DESIGNER RESOURCES

Course designers and builders are licensed by the USEF, and the USEA is responsible for the training of course designers. Check out the course designers and builders page on the USEA website for information regarding designing and building courses as well as learning to become a course designer.

CONTINUING EDUCATION CLINICS (CEC)

The USEA is proud to offer Continuing Education Clinics at the “r”, “R”, and “S” levels for USEF Eventing Licensed Officials. USEF Eventing Licensed Officials are required to attend a Continuing Education Clinic once every three years to maintain their license. These clinics are intended to keep officials up-to-date on the most recent changes and safety within the sport.

EDUCATIONAL ACTIVITIES

USEA Educational Activities further the mission of the USEA to make the sport of eventing safe, fun, fair, and affordable for all. Educational activities may include camps, cross-country schooling, clinics, seminars, schooling shows, DX Eventing, and eventing tests.

RESEARCH STUDIES

A big part of the mission of the USEA is ensuring the safest and best experience for all eventers and their horses. One way the USEA carries that out is by funding studies in a wide variety of areas that help keep the sport safe and on the cutting edge.

SAFETY RESOURCES

The USEA prides itself on providing the safest experience for every eventer. Safety studies, rule changes, and new equipment have helped make eventing safer over the last several years. Keep your eye on the USEA website for the latest in safety.

USEA RECOGNITION PROGRAMS

The USEA offers several Award Programs to provide recognition and reward the rider who steadily works to hone their skills at a specific level.

CERTIFICATE OF HORSE & RIDER ACHIEVEMENT

The Certificate of Horse & Rider Achievement is an opportunity to award and recognize our Beginner Novice members for successfully completing events. In order to qualify for the Certificate of Horse & Rider Achievement, the horse and rider together must have completed three or more events at the Beginner Novice level during the same competition year. In addition, both the horse and rider must have an active USEA membership at the time of their competitions. Note: Beginner Novice Horse and Riders who have achieved the next award level, the Blue Ribbon Award, will not receive the Certificate of Horse & Rider Achievement.

BLUE RIBBON AWARD PROGRAM

The Blue Ribbon Program is a stepping stone to achieving eligibility for the eventing medals Program and then heading to the top of the leaderboard. The USEA will post the names of Blue Ribbon qualified horses and riders on the awards section of the USEA website on a monthly basis. To qualify for the Blue Ribbon Award, which is available at the Beginner Novice through Advanced levels, a horse and rider combination must place first through third at three events at the same level in a single year. In addition, both the horse and rider must have an active USEA membership at the time of their competitions.

USEA MEDAL PROGRAM

The USEA Medal Program recognizes members through a goal-oriented program within the various levels of eventing. Horse and rider must achieve qualifying scores as a pair. Each pair may earn a Bronze, Silver, and/or Gold medal at the Beginner Novice, Novice, Training, Modified, and Preliminary levels.

To receive your medal, submit the medal application to Cindy Clingman at Cclingman@useventing.com. All scores from February 2009 until present can be submitted. Once the scores have been verified, the member or horse owner will be provided with the associated award(s) for the medal(s) achieved. Individual medal winners will earn a pin (at the level won) and certificate. The members or riders name will also be published on the USEA website.

VOLUNTEER INCENTIVE PROGRAM

The USEA Volunteer Incentive Program (VIP) exists to increase the ease of participation, provide incentives, and recognize the tireless efforts of volunteers. The VIP program rolled out an online management portal nationwide. Available through www.EventingVolunteers.com or the smartphone app for iOS and Android devices, the portal is designed to streamline the process for both volunteers and organizers. The USEA offers a national leaderboard for volunteers, rewarding the USEA Volunteer of the Year at the USEA Annual Meeting and Convention, annually. The Volunteer Medal Program is for volunteers that achieve 500, 1000, or 2000 hours of service logged through EventingVolunteers.com. Volunteers may also be recognized locally through their Areas, by tracking hours on the USEA's [EventingVolunteers App](http://EventingVolunteers.com).

GRANTS AND SCHOLARSHIPS OFFERED BY THE USEA FOUNDATION

USEA POLICIES AND GUIDELINES

For USEA Recognized Competitions and Members of the Association

USEA MEMBERSHIP POLICY

1. COMPETITOR: A rider competing in any USEA-registered competition at any level, including the Beginner Novice level, must hold a Full, Junior, Collegiate, or Life membership. The USEA will extend a 14- day grace period for Beginner Novice level riders to join the USEA, renew their membership or to register their horses, upon the conclusion of the competition. The 14-day grace period extends to upgrade a horse from Limited to Full. Points and/or championship qualifications are not retroactive after the 14-day grace period. The USEA will consider on a case by case basis a reinstatement of qualifications for the current year championship and current year- end awards, only. A fine of \$100 will be assessed for each inquiry to consider reinstatement.

2. COLLEGIATE PROGRAM MEMBER: (\$25 Discount) The Affiliate College/University must submit a roster of its team members to the USEA to receive the discounted rate by February 15. The Collegiate Member receives all benefits of a full membership. Collegiate membership is only open to students whose University/College holds an Affiliate Membership with the USEA. Those not registering online, enter the name of their College/University on the membership form.

3. INTERSCHOLASTIC EVENTING LEAGUE (IEL) MEMBER: The Affiliate Team or ECP Certified Instructor/coach must register with the USEA by February 15. Students and junior members from 7th grade to 12th grade may join the IEL by selecting their Affiliated Team or ECP Certified Instructor. The Team coach must submit a roster of team members to the USEA by February 15th of each year. Those not registering online will be able to fill in the name of their Team or ECP Certified Instructor on the membership form.

4. AMATEUR STATUS: For all returning USEA members, amateur status will transfer automatically to the next competition season. It is the responsibility of each competitor to inform the USEA of any changes to their status. Amateur status begins at the time it is declared and its benefits are not retroactive. A fine of \$50 will be assessed for each inquiry to consider activating status at an earlier date.

For the definition of amateur status, please refer to the USEF Rules for Eventing, Appendix 3.1.3 Amateur (A). If you are unclear about whether you qualify as an amateur or professional, please email: amateurinquiry@usef.org.

5. DEI (DIVERSITY, EQUITY AND INCLUSIONS): DEI Community raising awareness about the various experiences and issues affecting equestrians from under-represented or under-served communities. The USEA is joining with our partners to make the eventing community as inclusive as possible. Read more: <https://www.stridesforequality.org/mission>.

6. ORGANIZER: The organizer, the Chairman of the Organizing Committee of an event, must be a current Full or Life member of the USEA.

The USEA membership requirements are waived only in the following cases:

1A. EVENTING TESTS: Such as but not limited to: Starter Test, Intro, DX Eventing, Coach Allowed Test (CAT), or Schooling Shows, USEA membership/non-member fee is waived for participation. For Combined Tests, USEA membership is not required for any level of a combined test, but a \$25 non-member fee must be collected. A \$20 starter fee for the Young Event Horse (YEH) classes. Eventing test and Schooling activities are exempt from the Association fees (Starter and D&M).

1B. U.S. PONY CLUB members are exempt from the USEA membership and horse registrations requirement at the Novice and the Beginner Novice level, if they are participating in a Pony Club sanctioned rally being held in conjunction at a USEA recognized horse trial.

USEA HORSE REGISTRATION AND YEAR-END AWARDS POLICY

To get started, go to <https://services.useventing.com> and log into your account, then click on Horse Registration.

1. All horses competing in any USEA recognized competition at any level, including the Beginner Novice level, must have a valid **FULL** or **LIMITED STATUS**. The USEA will extend a 14-day grace period to register a Beginner novice horse or upgrade a horse from Limited to Full, upon the conclusion of the competition. Points and/or championship qualifications are not retroactive after the 14-day grace period. The USEA will consider reinstatement of qualifications for the current year championship and current year-end awards, only. A fine of \$100 will be assessed for each inquiry to consider reinstatement.

FULL LIFETIME REGISTRATION DISCOUNTED FEE ONLY DURING FIRST CALENDAR YEAR OF LIFE (Registry papers or other acceptable ID and proof of foaling date must be submitted at time of registration). Horse must be registered in its first calendar year of life, ie before December 31 to be eligible for this discount.

TRANSFER OF USEA HORSE ACCOUNT: The USEA no longer requires the submission of bills of sale for horses registered with the Association. Additionally, the USEA will no longer track horse ownership. Any information on horse ownership provided to the USEA by the Horse Account holder will be used solely for promotional purposes as a benefit to the USEA Horse Account holder, however the USEA cannot acknowledge nor prove horse ownership. When a transfer of a USEA Horse Account has been initiated an email will be generated to the previous account holder on file with the USEA. The primary, or -syndicate representative, account holder will be notified. When acknowledgement has been received, the transfer of the Horse Account will be completed. Please note: Only one (1) Horse Account per horse. Multiple accounts are NOT allowed and will be merged to the original account. No refunds will be issued for duplicate horse registrations. For questions, please contact the USEA office at Memberservices@useventing.com or 703-779-0440 x 1.

NOTE: The registration of the named horse with the USEA is for competition purposes only, and the registration does not indicate the legal Status of ownership of, or liability for, said horse. USEA accepts no liability for the accuracy of the registered details which information is intended for its own sole use and benefit, and does not decide, resolve, or become involved in ownership disputes.

2. All 4- and 5-year-old horses must have **LIMITED STATUS** registration with the USEA in order to participate in USEA recognized competitions at the Young Event Horse Test.

3. All horses must have a **FULL STATUS** registration with the USEA in order to participate in USEA recognized competitions at the Modified level and above levels.

4. All horses with a **LIMITED STATUS** registration must be **upgraded to FULL STATUS** registration prior to competing at the Modified level.

5. **RESTRICTED** Eventing Test Horse registration is used to enter eventing tests using the USEA Xentry online entry system, such as Starter Test, Coaching Allowed Test (CAT), DX Eventing, Intro, or Combined Test level(s) only. **THIS IS NOT A VALID HORSE REGISTRATION FOR COMPETITION.** Horses registered at this level do not earn award points or AEC qualifications. The results are not posted to the rider or horse's profile.

6. **U.S. PONY CLUB** members that are exempt from the membership requirement stated under USEA Membership 1b also exempts horse registration for both Novice and Beginner Novice levels when competing in team competitions or Pony Club rallies held in conjunction with a USEA recognized horse trials.

7. **YEAR-END AWARD POINTS VERIFICATION:** The USEA has established a cut-off date of November 15th for inquiries on competitive records for competitions held prior to November 15th. While we make every attempt to ensure the accuracy of our members' competitive record, we realize that errors do occur. It is the responsibility of every owner/rider to verify their horse's records.

8. **TRANSFER OF USEA HORSE ACCOUNT:** The USEA no longer requires the submission of bills of sale for horses registered with the Association. Additionally, the USEA will no longer track horse ownership. Any information on horse ownership provided to the USEA by the Horse Account holder will be used solely for promotional purposes as a benefit to the USEA Horse Account holder, however the USEA cannot acknowledge nor prove horse ownership. When a transfer of a USEA Horse Account has been initiated an email will be generated to the previous account holder on file with the USEA. The primary, or -syndicate representative, account holder will be notified. When acknowledgement has been received, the transfer of the Horse Account will be completed. Please note: Only one (1) Horse Account per horse. Multiple accounts are NOT allowed and will be merged to the original account. No refunds will be issued for duplicate horse registrations. For questions, please contact the USEA office at Memberservices@useventing.com or 703-779-0440 x 1.

MODIFIED AND ABOVE PARTICIPATION IN USEF RECOGNIZED COMPETITIONS

To participate in U.S. Equestrian Federation (USEF) licensed competitions at the Modified level or above, riders, owners, coaches, and trainers must be individual members of the USEF. Riders and owners who are not current USEF members, are permitted to obtain one U.S. Equestrian Show Pass fee (\$45) per competition year. If one person holds more than one position, e.g., rider and trainer, only one payment of \$45.00 is required.

POLICIES FOR RECOGNIZED COMPETITIONS

The Rules for all USEA recognized competitions would be the current *U.S. Equestrian (USEF) Rules for Eventing*.

1. All events registered with the USEA must apply for licensure (Modified and above) through US Equestrian in accordance with GR3. Endorsed status (Training and lower) events are approved by the USEA Executive Committee; upon approval the event profile will be submitted to US Equestrian. New events and any modifications to dates, levels and location of existing events, are subject to the USEA and USEF review process, to include, organizers, area councils, USEA Competitions, Calendar and Rules Committee, USEA Executive Committee, USEF Administrative Working Group, USEF Eventing Sport Committee, and International Disciplines Council (where applicable).

2. The organizer or the Chairman of the Organizing Committee of an event must be a current Full or Life member of the USEA.

3. The event prize list must be posted to the USEA website. The USEA Event Registration Fee is \$300.00. Competition liability insurance is included in the registration fee, meeting US Equestrian General Regulations. The registration fee and prize list are due 30 days from the opening date of the competition.

Organizers are responsible for submitting the Prize List directly to the USEF 30 days prior to the start of the competition to prizelist@usef.org. The USEA will provide the necessary material that is required under US Equestrian General Regulations.

Any event with a pending USEA event registration fee will not have the prize list posted online until the registration fee has been paid.

4. Events should not offer any unrecognized divisions during the days of recognized competition.

5a. At horse trials, three-day events, CCIs, collect a starter levy fee itemized on the entry form of \$30.00 for each horse at the Beginner Novice through Advanced, including FEI levels, that start in the competition. This applies even if one or all phases of the event are cancelled once the event has commenced.

5b. **Starter Fees:** Competition Starter Fees are a tariff imposed by the USEA on each starter in USEA recognized competitions. Such fees are collected by the competition management on behalf of the Association. Per USEA Policy, Starter Fees are due in the USEA office within 10 days after the completion of the competition. If such fees are not received within such time, competition management will be notified of the situation; when such fees are not paid within thirty days after the completion of the competition, the next competition(s) will not be posted online and may lose its status as a future USEA recognized competition until such fees are paid in full.

5c. **Drugs and Medications/Endorsement Fee:** The USEA has an agreement with USEF whereby the Beginner Novice, Novice, and Training levels are covered by the rules, regulations, and hearing processes of U.S. Equestrian and all levels of competition may be subject to the U.S. Equestrian Drugs and Medications program.

Pursuant to that agreement, a drug fee may be imposed by the USEA on each horse in competition in lieu of the drug fee imposed by the USEF and is paid by the competitor with the entry. The amount of the drug fee shall be set by the USEA Board of Governors. Organizers shall collect any such fees on behalf of the organization and remit them within ten days of the completion of the competition. Failure to comply with this requirement will result in the competition losing its status as a USEA recognized competition and, the next competition (s) will not be posted online until such fees are paid in full.

6. **Refund Policy for Withdrawal of an Entry Prior to the Start of Competition:** After closing date, the refund policy published in the Prize List by Competition Management will apply, except that Starter Fees and Drugs and Medication Fees shall be returned to any competitor who withdraws prior to the start of the competition, regardless of the date of the competitor's withdrawal. Refund of Starter Fees and Drugs and Medication Fees to qualifying competitors shall be made within 30 days of the completion of the competition. USEA Starter Fees and Drugs and Medication Fees are not subjected to any office fee.

7. Post Competition Report: All USEA recognized competitions must submit results to the USEA Office within 4 days of the competition. All fees, and membership/horse registrations collected at the competition within ten days of the competition.

8. Adhere to pertinent USEA directives and memorandums.

9a. Agree to a pre-event inspection by the technical delegate prior to the start of the competition. The event TD may appoint a local qualified deputy to perform the pre-event inspection, although he/she will remain ultimately responsible.

9b. New Event (national levels only): As defined by USEA (see below), will provide a one-time only reimbursement, up to \$500 towards the Technical Delegate's fees and travel expenses to and from the event. The organizer is responsible for housing and meals.

New event defined as:

1. An entirely new event, with new organizational staff, and over new cross-country courses.
2. An experienced organizational staff running an event over a new competition site with all new cross-country courses. An existing event adding a new level of competition or an additional date to the calendar is not considered a new event.
3. An all new organizational staff (organizer and secretary) taking over an existing cross-country site that has not been used for two or more years.

10. Officials: The Technical Delegate, President of the Ground Jury, and Course Designer must be stated in the Prize List for each competition. A competition may not be published or posted if these officials are not named.

LEVELS OF COMPETITION

1. There is no restriction on the number of levels that may be held at any registered event. However, organizers must use their judgment and not run more divisions or accept more competitors than can be reasonably handled without adversely affecting the safety or the quality of the event.
2. The USEF Eventing Sport Committee, or the USEA Executive Committee, in cases where the event is not licensed by the Federation, reserves the right to restrict the number of levels and/or competitors at any registered event, if this is deemed necessary in the interest of the sport.

COMBINED TEST/EVENTING TESTS:

1. Organizers may also offer "Tests" in conjunction with their horse trials. Refer to Sub- Chapter EV-2 - Rules for Tests.

2a. Combined Tests: If a Combined Test offers the cross-country phase, qualifications to compete are the same as for Horse Trials. USEA membership is not required for any level of a Combined Test, but a \$25 non-member fee must be collected. Combined Tests are exempt from the Association fees (Starter and D&M).

2b. Eventing Tests: Except for Combined Tests (see above), USEA Membership and non-membership fees are waived. Eventing Tests are exempt from the Association fees (Starter & D&M), except Young Event Horse which is assessed a \$20 USEA Starter Fee.

GENERAL GUIDELINES

1. If schooling of any kind is permitted at the end of the scheduled day of competition, the USEA highly recommends that these sessions are properly supervised, and adequate insurance coverage is obtained by the organizer.
2. Only stabling approved by the organizer is permitted. Stalls made from rope, string, or wire is not permitted. Pipe corrals are acceptable.

USEA CHAMPIONSHIPS

1. **American Eventing Championships:** The USEA American Eventing Championships Presented by Nutrena Feeds (AEC) will recognize and reward the top horse/rider combinations from the Beginner Novice through the Advanced levels. Refer to the AEC information page at www.useventing.com/aec.
2. **Adult Team Championships:** The team championship to be held in conjunction with the American Eventing Championship for the Beginner Novice, Novice, Training, Modified, and Preliminary levels. Qualifying criteria and other eligibility requirements are found Refer to the AEC information page at www.useventing.com/aec.

AREA CHAMPIONSHIPS

Area championships may be offered at any level. They may be restricted by age (Junior, Young Rider, or Senior). A horse division may be offered, but must be listed in the division section of the Prize List listing, for example: NH, TH. In principle, all area championships shall be horse trials.

The Area Chair and Area Council shall determine qualifications for entry. The website will publish general terms of the qualifications, but not the complete version. Specific details of the area qualification criteria shall be published on the Area's website and/or newsletter. It is the responsibility of each competitor to read the criteria for participation published by both the Area and the USEA, and to comply with the Area's qualifications.

The Area Chair and the Area Council shall approve scheduling of all Area Championships. Applications to host a championship shall be addressed to the council. Area championships at the Beginner Novice, Novice, Training, Modified, and Preliminary levels are an essential part of the framework of the sport. At the higher levels, Areas are cautioned to consider the anticipated number and state of preparation of competitors before scheduling a championship to ensure that these competitions are meaningful.

INTER-AREA CHAMPIONSHIPS

Inter-Area Championships may be offered at any level. They may be offered for teams or individuals, but if offered for teams, individual prizes must also be awarded. They may be restricted to Juniors, Young Riders, or Seniors. They may be horse trials or three-day events. Qualifications for entry shall be determined by the Areas involved, and shall be approved by the USEF Eventing Sport Committee. Scheduling of all inter-Area competitions shall be coordinated by the Areas involved and approved by the USEF Eventing Sport Committee. Applications to host inter-Area competitions should be addressed to the Areas.

USEA COMBINED TEST POLICY

DEFINITION

A USEA recognized combined test comprises two of the three tests of a horse trial and takes place on one day, during which the competitor rides the same horse in both tests. Each competitor's scores from both tests are added together to determine the result. Riders may compete with more than one horse in a combined test.

If a cross-country phase is offered, horse and rider qualifications shall be the same as the qualifications to compete in a horse trial of the same level. There are no set qualifications if the combined test consists of the dressage and show jumping phases.

COMBINED TEST POLICY

A. For USEA recognition the dates and divisions must be approved by the area chairman and the appropriate registration fee(s) paid to the USEA at the appropriate deadlines. All USEA recognized competitions must submit all documents and fees due to the USEA Office within 10 working days of the competition.

B. USEA membership is not required for any level of a combined test, but a non-member fee of \$25 will be collected. USEA Starter, D&M fees do not apply.

C. A Federation licensed judge is required. If the combined test offers a cross-country phase at the Intermediate or Advanced level, then the Federation Official must be selected from the roster of "R" (intermediate) or "S" (advanced) licensed Eventing Judges. Other judges may be Federation Licensed Judges, participants, or graduates of the USEA Training Program, or knowledgeable horseman.

D. In both the cross-country and show jumping phases, timing is optional. If timing is used, it must conform to U.S. Equestrian Rules for Eventing appropriate to that phase.

E. If a combined test consists of the dressage and show jumping phases, a competitor may enter the same horse in two consecutive levels.

F. The same horse may compete in both a horse trials and a combined test that is offered at a competition provided the horse only competes over one cross-country course. The horse may compete for placing in the final classification if the levels are the same or consecutive. If the levels are not consecutive, the horse may compete, however, he may compete for final placing in one level only and must ride the other level Hors Concours.

G. Schooling and warm-up areas should be supervised.

H. Whenever horses are tied in the final classification, the horse with the least number of faults (jumping and time) in the show jumping or cross-country test shall be placed first. If still tied, the best score of the collective marks of the Dressage shall prevail. If still tied, placings and awards are to be duplicated.

I. USEA combined tests shall conform to the following USEF Rules concerning safety, cruelty and competition.

HISTORY OF THE USEA

The United States Eventing Association, a 501 (c) (3) non-profit educational organization, was founded as the United States Combined Training Association (USCTA) in September, 1959, the vision of Alexander Mackay-Smith, who felt that in addition to the American Horse Show Association and United States Equestrian Team (now merged as the United States Equestrian Federation), a third organization was needed to promote the fledgling sport of Combined Training (now known as Eventing) in the United States. Initially the association's roster included just two dozen names, including Mackay-Smith and other notables such as Jack Fritz, Philip Hoffman, Roger Maher, and Lana Wright (née DuPont). Today it boasts more than 13,000 members. Each year more than 42,000 starters run at over 250 USEA-recognized competitions throughout the country.

The mission of the USCTA in 1959 and of the USEA in 2023 remains much the same—to make eventing safe, fun, and fair to all who join the USEA ranks, while at the same time promoting this incredible sport to the public. As a service organization, the USEA is dedicated to advancing the sport by educating riders, trainers, organizers, officials, the media, and volunteers, with the health and well being of the horse of paramount importance. By assisting and educating competitors, event organizers, and officials; maintaining responsible safety standards; and registering qualified competitions and clinics, the USEA offers a strong and continuous training opportunity for an ever-expanding field of eventers, from Beginner Novice to Olympic level.

USEA STATEMENT OF PRINCIPLES

The sport of Eventing, in relation to English riding and horsemanship, embraces the principle that training of the horse and rider in the elements of classical dressage, combined with training of the horse and rider in jumping obstacles, will improve the performance of both across country.

From its inception in 1959, the United States Combined Training Association, since 2001 known as the United States Eventing Association, has sought:

To educate horse owners and riders in those principles and practices of horsemanship embodied in the term Eventing, and founded upon the essential relationships of classical dressage to cross-country riding;

To promote through such education the safe, healthful, humane, and effective training, use, and care of horses;

To educate horse owners and riders in methods of evaluation of the abilities, state of training, and condition of both riders and horses, as measures of achievement and a foundation for further training;

To sponsor or encourage persons to develop facilities for testing and evaluating the abilities, state of training, and condition of both horses and riders;

To sponsor, organize, or encourage persons to organize horse trials, combined tests, two-day events and three-day events under the rules of the U.S. Equestrian Federation (USEF), and the Federation Equestre Internationale (FEI), the world governing body for horse sports;

To sponsor, organize, or encourage persons to organize educational forums and practical training clinics in furtherance of any of those purposes;

And to work cooperatively within the scope of its purposes with other organizations such as the USEF, FEI, USPC, and AHC, as well as national breed associations.

Implicit in the work of the USEA, and central to its philosophy, is the welfare of the horse. At each of the levels of prescribed testing, the horses and riders are subjected to distinct tests of physical agility, strength, and endurance, as well as mental and emotional preparation. The horse must be healthy, fit, prepared, and willing in order to perform.

The rules of the USEF, which are observed by the USEA, call for safe, secure, and comfortable stabling, with proper arrangements for the procuring of feed and water, the availability of veterinary and farrier

support, and the layout and construction of arenas and courses with jumpable obstacles appropriate in difficulty to each specified level. The rules forbid cruelty and provide severe punishment for any violation.

At the heart of successful training is continuous interaction between rider and horse which may simply be expressed as “ask-receive-reward.” Out of this process, the horse-rider combination achieves mutual respect, realization of mutual dependence, and mutual trust.

The Board of Governors of the United States Eventing Association hereby embraces the Code of Conduct as promulgated by the FEI, as it may apply within its sphere of activity and authority. To this end it is stated:

1. In Eventing, the horse must be considered paramount of importance.
2. The well being of the horse shall be above the demands of breeders, trainers, riders, owners, dealers, organizers, sponsors, or officials.
3. All handling and veterinary treatment must be directed toward the health and welfare of the horse.
4. The highest standards of nutrition, health, sanitation, and safety shall be encouraged and striven for at all times.
5. Members and competitors shall be advised to make adequate provisions for ventilation, feeding, watering, and maintenance of a healthy environment during transportation.
6. Emphasis shall be placed on increasing the education and training of both horse and rider, and in promoting scientific studies in equine health.
7. In the interest of the horse, the fitness and competence of the rider shall be regarded as essential.
8. All riding and training methods must take account of the horse as a living entity. It must not include any technique considered by the USEF to be abusive.
9. The USEA continues to work with the USEF to maintain adequate controls in order that persons and bodies under their jurisdictions respect the welfare of the horse.
10. The USEA will encourage its members to adhere to these principles in training as well as in competition.
